

ISHN2020

Rennes, France (~~7-11 July 2020~~)

ISHN/Rennes2020 will be ISHN/Rennes2021

Dear Colleagues:

Due to the current COVID-19 pandemic, the ISHN organizing committee for our meeting in Rennes in July 2020 has decided to postpone the meeting.

The current pandemic, with new ‘hot spots’ emerging throughout the world, will make international travel very difficult, and therefore we cannot hope for a safe meeting. A virtual meeting alternative, albeit considered, is not a viable or satisfying option.

We have a full program in place, and we will continue to work toward a successful meeting in Rennes 2021. Our program at that time will include the accepted abstracts from 2020, which will be sent in a later e-mail.

Thank you for your understanding, and we wish you all better times.

Sincerely,

Eelco F.M. Wijdicks, MD, PhD

President, ISHN (International Society for the History of the Neurosciences)
