Application for **STUDENT MEMBERSHIP** **2025**

The **International Society for the History of the Neurosciences (ISHN)** was founded in 1995. Its mission is to:

- improve communication between individuals and groups interested in the history of neuroscience;
- promote research in the history of neuroscience; and
- promote education in and stimulate interest for the history of neuroscience.

The ***Journal of the History of the Neurosciences: Basic and Clinical Aspects***, the official organ of the society, is published by Taylor & Francis. Now in its 34th year, the Journal provides a forum for investigations in the field of neuroscience history, as broadly defined, including the history of basic, clinical, and behavioral neurosciences, ancient and non-western topics, and significant individuals, events, and technical advances. ISHN is a focal point for those interested in neuroscience history and offers, through its journal and annual meeting, opportunities to contribute to this rapidly growing field.

STUDENT MEMBERSHIP FOR THE CALENDAR YEAR JANUARY-DECEMBER 2025 IS FREE OF CHARGE. Student membership in the ISHN includes all privileges of membership and all mailings **except** an annual subscription to the *Journal of the History of the Neurosciences*.

The signature of a Faculty Sponsor is required as confirmation of the student's status.

Please mail your completed form to the *ISHN Secretary*, Yuri Zagvazdin (yuri@nova.edu).

Students who are interested in receiving the journal (electronic/online individual subscription) are encouraged to subscribe with instructions at: www.ishn.org.
