Free communications & posters

Board meeting of the *Journal of the History of the Neurosciences*

Wednesday 2 July

Free communications & posters

Proposed symposium : Transcontinental Exchanges: Travels and experience of modern day Clerici Vagantes

Chairman: François Boller (WashingtonDC, USA)

- François Boller (Washington DC, USA), Neurological exchanges between USA and France from the 19th century to the present
- Riccardo Allegri (Buenos Aires, AR) Neuroscientists exchanges between Latin America and Europe
- Slava Lichterman (Moscow, RS) From Paris to Russia and back
- Cate Storey (Sydney, AUSTR) Neurological exchanges between Australasia and Great Britain: the last British outpost?

Board meeting of the *International Society for the History of the Neurosciences*

Thursday 3 July

Excursion: A day with Andreas Vesalius & Arthur Van Gehuchten

Morning: Visit to Leuven and guided tour "In Vesalius' and Van Gehuchten's footsteps"

Afternoon: Visit to Louvain-la-Neuve, lecture on Vesalius by Douglas Lanska (Tomah, WI, USA), presidential lecture, and visit to the exhibition on Arthur Van Gehuchten.

Friday 4 July

Joint meeting of the *International Society for the History of the Neurosciences* (ISHN, www.ishn.org) and the *Belgian Association for Sleep Study & Sleep Medicine* (BASS, www.belsleep.org) dedicated to

The History of Sleep and Wakefulness Research and the History of Sleep Medicine

Chairpersons : Johan Verbraecken (Antwerp, BE) & Geneviève Aubert (Brussels, BE)

- Paul Foley (Sydney, AUSTR) Pioneering sleep research up to Von Economo
- Myriam Kerkhofs (Charleroi, BE) From the « Bremerized cat » to the suprachiasmatic nucleus
- Russell Johnson (Los Angeles CA, USA) From the archives of Horace Magoun
- Cesira Batini (Paris, FR) Moruzzi's recollections: a "humanistic scientist" vs a "scientific humanist"
- Pierre-Hervé Luppi (Lyon, FR) Michel Jouvet and paradoxical sleep
- Alexander Borbély (Zürich, CH) The marriage of sleep and chronobiology
- Peretz Lavie (Haifa, IL) The beginnings of sleep medicine
- Claudio Bassetti (Zürich, CH) The history of narcolepsy
- Robert Poirrier (Liège, BE) & Dirk Pevernagie (Ghent, BE) The beginnings of the European Sleep Research Society (ESRS)
- Stanley Finger (St Louis MO, USA), Lorenzo Lorusso Lorusso (Brescia, IT), Michele Riva (Monza, IT) & Vittorio Sironi (Monza, IT) Somnambulism as Presented in Verdi's Macbeth and Bellini's La Somnambula
- Geneviève Aubert (Brussels, BE) Sleep in comic strips

ISHN General Business Meeting

Friday Evening: Gala Dinner at the Cercle Gaulois (Brussels)

Saturday 5 July

Joint meeting of the *International Society for the History of the Neurosciences* (ISHN, www.ishn.org) and the *Belgian Neurological Society* and the *Vlaamse Vereniging voor Neurologie*

A Celebration of Belgian Neurosciences,

Chairpersons: Anne Jeanjean (Brussels, BE) & Patrick Cras (Antwerp, BE)

- Nick Wade (Dundee, UK) on Joseph Plateau
- Jacques De Reuck (Ghent, BE) Bertha De Vriese. The first female neurovascular anatomist
- Anne Jeanjean (Brussels, BE) on Arthur Van Gehuchten
- Jacques De Reuck (Ghent, BE) From Brussels to the World Federation of Neurology: Ludo Van Bogaert, first president of the WFN
- Frank Van Calenbergh & Chris Plets (Leuven, BE) Fifty years of neurosurgery in Leuven
- Gül Russell (College Station TX, USA) Neurosciences and Magritte

Free communications & posters

Closure of the meeting at 2 pm
