AWARDS

AWARDS & PRIZES

Annual and Biennial Awards and Honors

The International Society for the History of the Neurosciences and its official publication, the *Journal of the History of the Neurosciences*, offer the following biennial prizes to honor outstanding and distinguished scholarship in the history of the neurosciences:

At meetings held in odd-numbered years, the ISHN will award prizes for (1) [Outstanding Article in the History of the Neurosciences](#) and (2) [Outstanding Student Essay in the History of the Neurosciences](#)

At meetings held in even-numbered years, the ISHN will award prizes for [Outstanding Book in the History of the Neurosciences](#).

Further information about the 2022 award for **Outstanding Book in the History of the Neurosciences** may be obtained from the Chair of the ISHN Awards and Prizes Committee:

Douglas Lanska
E-mail: [douglas.lanska AT gmail.com](mailto:douglas.lanska@gmail.com)

The prizes will be awarded at the Society's annual meeting.

The **Lifetime Contribution to the History of the Neurosciences Award** may be given annually, at the discretion of the Committee.

Further information about the award for **Lifetime Contribution to the History of the Neurosciences** may be obtained from the Chair of the ISHN Lifetime Contribution Award Committee:

Dr. Axel Karenberg
History of Medicine and Medical Ethics
University of Cologne
