

ISHN 17TH ANNUAL MEETING IN VENICE

USEFUL TRAVEL INFORMATION

KINDLY REVIEW THE FOLLOWING TRAVEL AIDS:

- 1) Local transportation is quite expensive (a single ride from Venice to Isola San Giorgio costs Eur 6,00) but you may purchase online, www.hellovenezia.it (/connectedvenice), a tourist card that will cover the desired number of days at reduced and convenient rates. Visit the website; an English version is available. Vaporettos are also available during night hours. On the same site, www.hellovenezia.it, you will also find other tourist information you may need, museums, events, etc.;
- 2) Venice is surrounded by water canals, therefore, mosquitos are present. Bring or buy a mosquito repellent;
- 3) Piazza San Marco is the center of Venice and one of the most beautiful attractions, but not a place for your snacks, lunches or dinners. An espresso coffee may cost you Eur 4/5;
- 4) Be aware for pickpockets - just like any other big city around the world;
- 5) For a special concert at La Fenice Theatre, on Wednesday, 20th June, please see the following pages;
- 6) REFER TO THE ISHN WEBSITE, <http://www.ishn.org>, FOR OTHER TRAVEL AND ACCOMMODATION DETAILS.
