Do you have a child with autism who will be transitioning into kindergarten or secondary school in 2017?

Are you willing to take a more active role to help your child’s transition be more successful?

If the answer to these questions is yes, you may be eligible to participate in a research study.

We want to help your child transition throughout the school system more successfully. The research team will work with you and the school providers to help with the process. A $25 gift card will be provided for your participation at entry and exit of study.

Participation is voluntary.

For more information call 310-825-4775
We look forward to hearing from you!

This research study is funded by HRSA and is conducted by Connie Kasari, Ph.D.
