Continuing Education Credits
Seminar meets the qualifications for 3 hours of continuing professional development hours for Speech-Language Pathologists or Audiologists as required by the California Speech-Language Pathology and Audiology Board. Regional Center of Orange County provider no. R5F 136.

3 Continuing Education Credits have been applied for Psychologists, LCSWs, MFTs, and RNs. The County of Orange Health Care Agency is a co-sponsor and approved provider of continuing education credits for the California Board of Behavioral Sciences provider no. POC 6019 for 3 contact hours and is approved by the American Psychological Association to sponsor continuing education for psychologists. The Orange County Health Care Agency reserves responsibility for this program and its content. The course is designed to address new findings in autism research. The educational component addressing cultural and linguistic competency is not the focus of this course.

Additional cost for Continuing Education Credits:
☐ $30

I know this conference will bring hope to parents of children with autism. I am making a tax-deductible donation of $_________ to sponsor admission for those who need support. (Tax ID# 20-5230144)
