

# PROJECT: PLAY

Is your child receiving intervention services?

Your child may be eligible to participate in a research study if s/he:

- 
- Is between the ages of 2-16 years
  - Has a clinical diagnosis of autism spectrum disorder
  - Speaks in 2 word phrases or more

## What does the study involve?

- Your child will participate in two play sessions with a UCLA staff researcher (8-12 weeks between sessions)
- You will receive \$25 gift cards for each session
