Transitions for Young Adults with Autism Spectrum Disorder: What We Know and What We Need

Caroline Grantz, Ph.D.
Clinical Psychologist, UCLA Child and Adult Neurodevelopmental Clinic

Thursday, January 24th 2019

Time:
Check in: 8:30 AM - 9:00 AM
Workshop: 9:00 AM - 11:00 AM

Location:
Registration is required!
Please contact us @
310-825-4734 or
canreach@mednet.ucla.edu

www.uclacanreach.com

Learning Objectives:

- Participants will identify when transition planning should begin within the educational system, who should be involved, and the domains that should be included.
- Participants will identify the common pitfalls experienced by individuals with Autism Spectrum Disorder as they transition out of high school.
- Participants will identify what key things schools, businesses, and organizations can do to increase success for young adults on the Autism Spectrum as they transition into post-secondary education and/or the work force.

REGISTRATION is required!
