Tarjan Center Lecture Series presents:

Correlations and Controversies: Gender Dysphoria & Autism Spectrum Disorder

Brandon S. Ito, MD, MPH
Assistant Clinical Professor
David Geffen School of Medicine

LEARNING OBJECTIVES:
1. Describe the current state of literature on the co-occurrence of autism spectrum disorder (ASD) and gender dysphoria (GD).
2. Present theoretical biologic, psychological, and social frameworks to characterize the observed phenomenology.
3. Discuss areas of controversy surrounding published data and implications on clinical management and future research.

MONDAY
April 15th, 2019
11:30AM–12:30PM
