

## **UCLA Research Study for Adults (18-64) with Body Dysmorphic Disorder**

### **ARE YOU CONCERNED ABOUT YOUR APPEARANCE?**

- ✓ Are you concerned about specific features of your appearance that you believe are ugly or unattractive?
- ✓ Are you spending much of your day thinking about your appearance?
- ✓ Are you avoiding mirrors or spending a lot of time looking in the mirror?
- ✓ Is your concern causing a lot of distress and/or interfering with your functioning?

If so, you may have a psychiatric condition called body dysmorphic disorder and may be eligible to take part in a study that is providing:

**\*diagnostic evaluation**  
**\*payment for participation**

**\*MRI scan**  
**\*parking validation**
