

UCLA RESEARCH STUDY

Are you transgender and would like to participate in a research study?

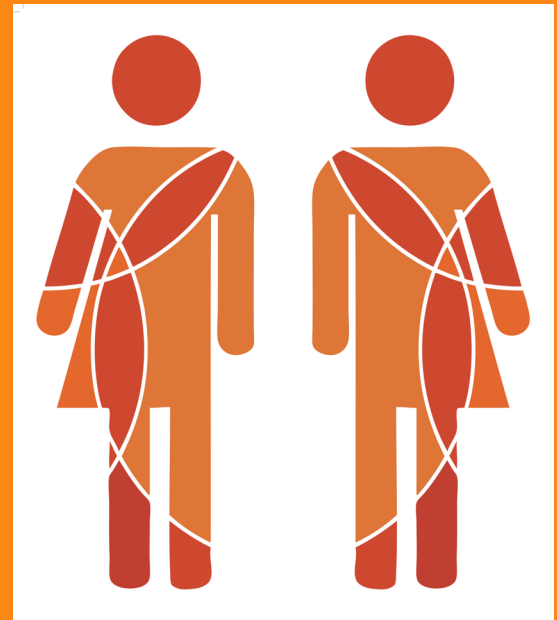

The **GENDER DYSPHORIA** study is looking for trans male and trans female individuals to take part in a study about gender identity and own body perception.

The study is providing:

- Evaluation
- 1-2 MRI scans
- Payment for participation (\$110-\$210 and parking validation)

You may be eligible if you:

- *Are age 18 to 40
- *Have not yet taken any sex hormone medications
- *Have not yet had gender confirmation surgery
- *Are not taking psychiatric medications
