

Tarjan Center Lecture Series presents:

Adult Outcomes in Autism: Insights from a Longitudinal Study

Rebecca Elias, Ph.D.

Postdoctoral Scholar

UCLA Semel Institute for Neuroscience and Human Behavior

**Monday April 12th, 2021
11:30AM – 12:30PM, PST
(via Zoom)**

Learning Objectives:

1. To describe the social, diagnostic, and adaptive skill trajectories in a longitudinal sample of individuals with ASD.
2. To define the range of outcomes in adulthood.
3. To identify factors which predict outcomes in adulthood.

All are welcome! Registration is required
