

Tarjan Center Lecture Series presents:

Examining Caregiver-Child Relationships and Family Functioning in Evidence- Based Social Skills Training for Young Children with Autism: The UCLA PEERS® for Preschoolers Program

Reina S. Factor, PhD

Clinical Psychology Fellow, David Geffen School of Medicine at UCLA
Postdoctoral Fellow, UCLA PEERS Clinic
Postdoctoral Fellow, UCLA CAN Clinic

**Monday October 19th, 2020
11:30AM – 12:30PM, PST
(via Zoom)**

Learning Objectives:

1. Understanding the feasibility of applying the PEERS® curriculum for younger children
2. To gain an understanding of how the PEERS® for Preschoolers Program impacts the caregiver-child relationship
3. To understand the need to explore child, caregiver, and family-based outcomes in intervention studies

All are welcome! Registration is required
