

Tarjan Center Lecture Series presents:

Adapting PEERS® for Preschoolers for Telehealth: Examining a Parent-Mediated Social Skills Intervention for Young Autistic Children

Reina S. Factor, PhD

Clinical Psychology Fellow
UCLA David Geffen School of Medicine
UCLA CAN CLINIC
UCLA PEERS® Clinic

**Monday October 25, 2021
11:30AM – 12:30PM, PST
(via Zoom)**

Learning Objectives:

1. Understanding the feasibility of applying the PEERS® for Preschoolers curriculum via telehealth
2. To gain an understanding of how the PEERS® for Preschoolers Program especially targets parent-coaching
3. To understand the need to further explore this treatment delivery method and future comparisons of in-person vs. telehealth programs

All are welcome. Registration is required.
