

Rough Waters or Smooth Sailing? School Adaptation for Children with Autism Spectrum Disorder

Jan Blacher, Ph.D.

Distinguished Professor and UC Presidential Chair
Director, SEARCH Family Autism Resource Center
Graduate School of Education
University of California, Riverside
Joint appointment: Department of Psychology, UCLA

LEARNING OBJECTIVES:

1. To teach attendees about the educational and legal processes in the transition to early schooling for children on the autism spectrum.
2. To introduce attendees to the importance of student-teacher relationships in the adaptation of young children with Autism Spectrum Disorder (ASD) to school.
3. To identify academic strengths in young children with ASD that can facilitate adaptation to school.

**WEDNESDAY,
APRIL 8, 2015
