

Tarjan Center Lecture Series presents:

Raised Expectations and Opportunities for Transitional Age Youth with Developmental Disabilities

Olivia Raynor, Ph.D.

Director, Tarjan Center
Adjunct Professor,
Department of Psychiatry & Biobehavioral Sciences, UCLA

LEARNING OBJECTIVES:

1. Describe the new vision and expectations in federal and state policies for youth with DD to achieve independent living, community living and employment.
2. Describe what the new “norm” for transition services and supports will look like.
3. Identify strategies and recommendations for self advocates, families, educators, and professionals for increasing employment.
