

Increasing Supports for Transition Aged Youth with ASD: The College to Career Program

TARJAN
CENTER AT UCLA

Lecture
Series

Amanda Gulsrud, Ph.D

Assistant Professor in the Division of Child and Adolescent Psychiatry
at the David Geffen School of Medicine at UCLA
Clinical Director of the UCLA CAN Clinic

Monday October 14th, 2019

11:30am-12:30pm

300 Medical Plaza, Suite 3200, 3rd Floor
Marisa Leif Conference Room,
Los Angeles, CA 90095

*Light snacks &
giveaways provided!
All are welcome.
No RSVP is required.*

Learning Objectives:

1. To understand common obstacles experienced by young adults with ASD as they transition into college and careers.
2. To describe the PEERS for Careers program and pilot study outcomes.
3. To identify key areas where additional services could increase success for individuals on the spectrum in post-secondary education and the work force.
