

# Implementing Evidence-based Interventions for ASD in Community Settings

## Jasper Estabillo, PhD

Postdoctoral Scholar, UCLA Department of Psychology  
Postdoctoral Clinical Psychology Fellow, UCLA PEERS Clinic

**Monday March 23rd, 2020**

11:30am-12:30pm

300 Medical Plaza, Suite 3200, 3rd Floor  
Marisa Leif Conference Room,  
Los Angeles, CA 90095

*Light snacks &  
giveaways provided!  
All are welcome.  
No RSVP is required.*

### Learning Objectives:

1. To understand the need for scaling up evidence-based interventions (EBI) for ASD.
2. To understand the outer (e.g., system, policy) and inner (e.g., organization, provider, client) context factors that influence community EBI use.
3. To understand the implementation of EBI across two service systems: AIM HI in community mental health and CPRT in educational settings.
