D. Disseminated Products:

E. Systemic Barriers Uncovered/Encountered in Our Work:

Funding formulas do not support ICE, lack of Employment First options, low expectations by families, service providers, and consumers, lack of coordination between agencies. Resistance from families and transition-age youth due to fear of losing government benefits.

## Workgroup Assistance

List the names of any individuals and/or agencies from outside your workgroup that you contacted to assist with your workgroup activities. This may include other members of CECY or external individuals or entities. For each instance, please list PERSON, AGENCY, PURPOSE, & OUTCOME.
