

Unbroken Chain

END RESULT (by Sep 30, 2016, including products):

- Created 7 person-centered resource guides that summarize research, and list resources and websites that are helpful to address each topic.
- Guides will be based on input from surveys completed by the Outreachers to educators, youth and agencies.
- Guide topics:
 - Motivation: I want to work!
 - Expectations: We believe you can work!
 - Career Goals: What work is best for ME?
 - Education/Training: What training do I need?
 - Employment Opportunities: Where can I find a job?
 - Business Engagement: Who will advocate for me? Hire me?
 - Other support: What else do I need?

YEAR 4 OBJECTIVES (by Sep 30, 2015):

Compile all seven resource documents based on survey data that identifies the needs expressed by families and educators.

QUARTERLY MILESTONE(S) (by January 29, 2015):

Compile four documents and disseminate to committee members for review.

PLANNED ACTIVITIES toward January 29, 2015, milestone(s)

ACTIVITY	PERSON RESPONSIBLE	START DATE	END DATE
Review survey results	Sue Sawyer Jill Larson	11/2014	12/ 15/ 14
Integrate survey results into each resource tool.	Sue Sawyer Jill Larson	1/2/2015	1/15/15
Present resource tools for review, edit and approval to both committees	Sue Sawyer Jill Larson	1/15/2015	1/29/15

PREVIOUS QUARTER SUMMARY (ending Sep 30, 2014)

Year 3 Objectives (by Sep 30, 2014):

- Submit 4 resource guides for review by members from Unbroken Chain and Outreachers.
- Review survey results (if they are available) and integrate them into the topic areas.

States Milestone(s) and Outcomes):

1. Research best practices in area of motivation, expectations, setting goals and other support systems.
2. Analyze survey results
3. Integrate survey results into the appropriate resource guide.

Completed: Research is ongoing. We analyze survey results as they become available.

Not Completed: Our goal of having four documents completed is contingent on the survey results. They are in process, but not complete.

Barriers: Our challenges relate to time factors and using survey results.
